

MR. CAMERON, EXAM. BY MR. MERRICK

1 September 9th, and it says Schedule A was attached, it
2 seems to me if Schedule A is attached, there's been a lot
3 of work done to it. And Elizabeth Cuddihy, who drafted
4 this letter, I'm quite certain, I didn't draft any
5 letters, she would not allow me to put something in that
6 I didn't have some approval. If I told her that, yes,
7 Cabinet approved it that day, that's fine. But there was
8 a lot of work done if there was a schedule attached, so
9 certainly there was a lot of people knew about it.

10 Q. Let me just finish off one other point that I would
11 like to know about on this take-or-pay agreement. What
12 was going to happen to the take-or-pay agreement in the
13 event that Curragh sold the property?

14 A. We told them we would not let it go.

15 Q. Was that in the agreement?

16 A. We announced it and it caused a big flap.

17 Q. Was it in the agr -- did you have any legal
18 agreement, pardon the use of the word "legal," legal
19 agreement that would have prevented Curragh from being
20 able to hand over the take-or-pay agreement to a
21 purchaser?

22 A. I don't know. I'd have to look at the agreement,
23 but I can tell you, it was not going to go anywhere else.

24 Q. That became an issue later on?

25 A. Pardon?
