

MR. CAMERON, EXAM. BY MR. MERRICK

1 Q. When was that?

2 A. Well, I was in the Southwest section, so it was at
3 that stage.

4 Q. So that must have been after at least the fall of
5 1991?

6 A. Well, it would be -- I remember walking up from the
7 main tunnels. It would be either be in the green or the
8 next blue one up. I don't know if I can make this thing
9 work or not. She showed me yesterday [referring to laser
10 pointer]. I remember walking up there, and it was either
11 in these tunnels or this one here [indicating on map].

12 Q. Okay, you're --

13 A. But all --

14 Q. -- talking about --

15 A. -- this here -- I know that wasn't there.

16 Q. You're talking about 2 North B or somewhere up
17 around Southwest 1, 5 Crosscut --

18 A. Well --

19 Q. -- in that area?

20 A. -- I know it was in that area there.

21 Q. Yeah, all right.

22 A. And I only did that once.

23 Q. So that would have been late fall perhaps, or fall
24 of '91. What was the purpose of your visit then?

25 A. I had never been in a coal mine before. I wanted to
