

MR. CAMERON, EXAM. BY MR. ROBERTS

1 lists of points?

2 A. Oh --

3 COMMISSIONER Stamped "44." The page is stamped "44."

4 A. Oh, I'm sorry.

5 COMMISSIONER Yeah.

6 A. Yes.

7 MR. ROBERTS Do you have it?

8 A. Yes.

9 Q. I'll go back again. "Unforeseen geological faults.
10 Excessive water. Poor roof and floor conditions. Excess
11 gas. Infantile mortality on new equipment. Unscaled and
12 inexperienced personnel. Underground fires and others."

13 A. Um-hmm.

14 Q. Now you would agree me with that although this is in
15 the context of an analysis of the financial risks that
16 the company faces, that, in fact, every one of those
17 risks identified by Mr. Frame was a threat to the health
18 and safety of the employees in the Westray Mine?

19 A. And that would be the same for any other mine.

20 DEVCO. DEVCO has experienced --

21 Q. We're not --

22 A. -- all of these.

23 Q. Mr. Cameron, we're talking about Westray, okay?

24 A. No, I'm --

25 Q. So let's --
